

STATE OF MICHIGAN 67 TH DISTRICT COURT	SEARCH WARRANT	CASE NO. 2019 Flint Water Crisis POLICE AGENCY Department of Attorney General REPORT NO. 2019-FWCT
---	----------------	---

TO THE SHERIFF OR ANY PEACE OFFICER:

A. PERSON, PLACE, or THING to be searched is described as and located at:

Department of Technology, Management and Budget (DTMB)
Michigan Security Operations Center (MiSOC)
7150 Harris Drive, Diamondale, MI 48821

B. PROPERTY to be searched for and seized, if found, is specifically described as:

1. "All 41 "Flint Water MiSOC Cases" identified on attached spreadsheet (Exhibit A). The term "Flint Water MiSOC Case" refers to a unique identifier assigned to each individual device assigned to DTMB digital forensic examiners for review and examination. All devices or the MiSOC image or extraction, the MiSOC report and documentation from the requesting state agency involved. MiSOC report to include the following forensic information: ITAM, Bit locker, picture of service tags/hard drives and any associated passwords.
2. For any cell phones that are seized at the location listed in Paragraph A above, any and all content of cellular phones (including SIM cards and memory cards, if applicable): Including, but not limited to: contact lists; call history lists (including received, dialed, and missed calls); SMS/MMS (including, sent, received, and draft messages); pictures, videos, audio files; email; instant messaging; web HTML's; Wi-Fi network information; GPS directions; calendars; notes; installed applications, usernames and passwords for said cellular telephones or applications (if applicable).
3. For any desktop computers, laptop computers, or tablets, including peripherals and data storage media, that are seized at the location listed in Paragraph A above, any and all content of said computers and peripheral and data storage media including, but not limited to: electronically stored communications or messages; web page HTML's, web searches, cookies, history, favorite sites; images; any user names and passwords, password files, test keys, encryption codes or other codes necessary to access the computers or applications to be searched or to convert any data file or information on the computers into a readable form.
4. Any application software or other programs which are on the devices that could be used to facilitate the creation, transmission or storage of the described data

files, including but not limited to photo editing software, e-mail applications, word processing software, and/or software used to access the internet. Any passwords or password files necessary to gain access to the files, software, or applications which is on the devices.

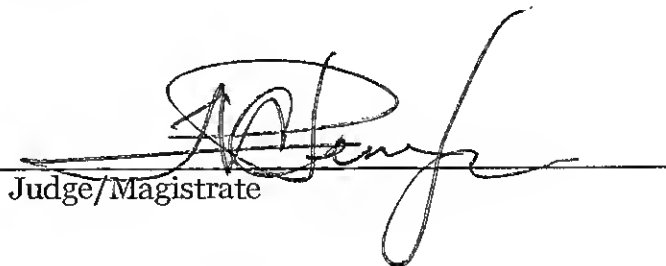

5. Electronic communications stored within the phone and storage devices as e-mail. Such information and/or communications that may be in the form of electronic communications (such as e-mail) residing on any media (e.g., magnetic, optical or digital media). That information may include electronic communications held or maintained in electronic storage by an electronic communication service or remote computing service, as those services are defined within 18 U.S.C. 2703. These communications are referred to herein as "stored communications". These communications related to this case stored in the suspect's computer or other electronic devices as e-mail. That federal law, which is part of the Electronic Communications Privacy Act, allows interception of such electronic communication pursuant to a search warrant.

IN THE NAME OF THE PEOPLE OF THE STATE OF MICHIGAN: I have found that probable cause exists and you are commanded to make the search and seize the described property. Leave a copy of this warrant with attached tabulation (a written inventory) of all property taken with the person from whom the property was taken or at the premises. You are further commanded to promptly return this warrant and tabulation to the Court.
